# YOUR RIGHTS

## BUILDING COMMUNITY

## CREATING SAFETY

Due to recent changes implemented by the new Administration and the high demand for presentations throughout the community, we will be offering monthly virtual KNOW YOUR RIGHTS sessions which will cover the following topics:

- Know Your Rights
- How to Protect Your Family
- Immigration Updates and Changes Related to the New Administration

In order to offer the best quality and most up to date content possible, each session is scheduled after our participation in nationwide workshops on the new changes and how to advocate for and on behalf of our communities.

### Upcoming Virtual Sessions:

- Friday, February 21 @ 4:00pm
- Thursday, March 20 @ 5:00pm
